TREASURE

This image shows a blank, multi-page character sheet designed for a tabletop RPG, likely Dungeons & Dragons. The sheet is organized into three main vertical columns, each containing ten horizontal rows for notes.

- Column 1 (Left):** This column is for Cantrips. It features a header "CANTRIPS" at the top, followed by ten rows for listing spells. Below this section is a "SPELLS KNOWN" column with ten rows, each starting with the word "PREPARED".
- Column 2 (Middle):** This column is for Spell Slots. It includes a header "SLOTS EXPENDED" at the top, followed by ten rows for tracking expended slots. The middle section contains ten rows for listing spell names, with a header "SPELL NAME" at the top. Each row has a small box labeled with a number (0, 1, 2, 3, 4, 5, 6, 7, 8, 9) in its top-left corner.
- Column 3 (Right):** This column is also for Spell Slots, mirroring the structure of Column 2. It includes a header "SLOTS TOTAL" at the top, followed by ten rows for tracking total slots. The rightmost section contains ten rows for listing spell names, with a header "SLOTS EXPENDED" at the top. Each row has a small box labeled with a number (0, 1, 2, 3, 4, 5, 6, 7, 8, 9) in its top-left corner.
